

SanDisk Extreme[®] Contour[™] USB flash drive

Included in package
• USB flash drive

Highlights

- **High performance**—super-fast data transfer at up to 25MB/second read and 18MB/second write speeds**
- **File secure**—Password protection, AES hardware encryption and lifetime limited warranty***
- **Ideal for Video**—high capacities and powerful performance allow you to view and transfer HD video too
- **Speed up your system**—Windows[®] ReadyBoost[™] enhances Windows[®] Vista[™] performance, so your PC responds faster

Always ahead of the curve, the SanDisk Extreme[®] Contour[™] USB Flash Drive gives you the edge with professional-grade performance and security. With up to 64GB* of storage and the read/write speeds you need to move even large files fast, these drives are ideal for video. The sleek, black casing slides open to reveal a retractable USB connector for high-speed transfers.

SanDisk Extreme[®] Contour[™] secures your work life with AES hardware encryption and password protection. When you're always on the move, trust the minds behind flash memory to keep you moving with confidence
